

Cable Outlet Addendum

Addendum to Lease Agreement dated Monday, October 1, 2007. Effective Friday, October 26, 2007, for the privilege of having an additional cable outlet installed at 2996 Oak St Apartment 110.

Residents wishing to have extra cable outlet installed must adhere to the following rules:

1. Written notice must be given to the management office of your intent to install an extra outlet. Notice must be given prior to installation.
2. The cable outlet must be installed within your apartment by Time Warner Cable.
3. Installation must not damage the apartment or building. You are liable for any injury or damage to apartment caused by installation of said outlet. The extra outlet is installed and operated at your own risk.
4. Any expenses associated with the installation of cable outlet are the sole responsibility of the Resident(s).
5. Upon termination of lease cable outlet becomes property of Landlord.

I (We) have read the above Lease Addendum and rules, understand them and agree to abide by them.
